The mecablitz M400 represents a new generation of compact flash systems. It is especially suited to mirrorless system cameras and is ideal for any photographers or film-makers looking for a convenient flash unit. The mecablitz M400 is also highly equipped and leaves nothing to be desired. The maximum guide number of 40 for ISO 100 is capable of handling almost all shooting situations.

~~Product information: Metz~~

Macro flash with individual reflectors. The Metz mecablitz 15 MS-1 digital provides wireless macro flash via two individually-controlled reflectors. In doing so, the innovative macro flash ring guarantees balanced, precision illumination whilst opening up new creative possibilities for macro shots. With the help of individually variable reflectors (0°-20°) and their precision light distribution, individual creativity really does have full rein.

High-tech innovative operation. Genuine enlightenment for all modern cameras. Thanks to its maximum guide number 52 for ISO 100, the Metz mecablitz 52 AF-1 has more than enough power to cope with any shot - the horizontally swivelling and vertically tilting reflector ensures optimal lighting control. Any subject can be professionally set off to best advantage with the help of the integrated diff user for wide angle shots, and the white reflector card.
