O'Brien is a professor of economics at Lehigh University. He received a PhD from the University of California, Berkeley, in 1987. He has taught principles of economics for more than 20 years, in both large sections and small honors classes.

Hubbard & O'Brien, Microeconomics, 8th Edition | Pearson

The number-one question university students of economics ask themselves is, "Why am I here, and will I ever use this in my real life?" Authors Hubbard & O'Brien answers this question in Microeconomics 2nd Canadian Edition (PDF) by demonstrating that real businesses use economics to make real-life decisions every day. This is something all college students can connect to, whether they are economics or business majors or not because all students encounter businesses and economics in ...
