Microeconomics Perloff 6th Edition

The sixth edition has 126 Applications, 5 more than in the previous edition. Of these, 83% are new (48%) or updated (35%). The vast majority of the Applications cover events in 2009 and 2010, a few deal with historical events, and most of the rest examine timeless material.

### MICROECONOMICS

Microeconomics has become a market leader because Perloff presents theory in the context of real, data-driven examples, and then develops intuition through his hallmark Solved Problems. Students gain a practical perspective, seeing how models connect to real-world decisions being made in today's firms and policy debates.
