MTA installing 2 cameras on each of its more than 6,300 subway cars

But of course the New York Civil Liberties Union still squawks. Embedding 13,000 new surveillance cameras on MTA subway cars (too bad it'll take three years) can only help lure back crime ...

MTA subway cameras are a public safety 'no-brainer'

After a year of all kinds of crimes taking place on the New York City subway system, the MTA is taking new steps to ensure the safety of its passengers and its workers. The Gothamist is reporting ...

MTA Plans To Install Surveillance Cameras In All Subway
