Notes Mitosis Notes The Science Spot

The cell undergoes a type of cell division called mitosis. In mitosis, two cells called daughter cells are produced, each identical to the parent cell. When looking at cells with a microscope ...

Mitosis and the cell cycle

The five phases of mitosis and cell division tightly coordinate the movements of hundreds of proteins. How did early biologists unravel this complex dance of chromosomes? The most obvious ...

Mitosis and Cell Division

This chapter will expand on the manner in which the blind spot can be seen to underlie some of the most dramatic results of modern science. It gives rise to the phenomena of ambiguity, uncertainty, ...

The Blind Spot: Science and the Crisis of Uncertainty

JASON: WELCOME BACK AND IT ' S TIME FOR THE SCIENCE OF IT. TODAY ' S ACTIVITY IS PERFECT FOR LOVERS OF A CERTAIN DRINK THAT GETS THEIR MORNING GOING. MEREDITH: YES, GRAB A CUP OF THAT COFFEE.

The Science of It: Coffee

Tal has helped redefine the study of happiness—not just as an area of research within psychology but also as a new interdisciplinary science incorporating neuroscience, evolutionary biology ...

The Science of Happiness

The \$280 billion CHIPS and Science Act sets aside a lot of money for, you guessed it, those high-demand semiconductor chips. But a good chunk of that fund is earmarked to advance scientific ...

The science part of the CHIPS and Science Act

It's no secret that science education in the United States lags behind the rest of the world. According to the Programme for International Student Assessment, the United States was ranked 18th in ...

Why the "Science Is Fun" Approach Isn't Working

Cape Town – To highlight National Science week and expose pupils to the role science plays in our daily lives, Advancing Knowledge NPC and ArcelorMittal Science Centre hosted a series of science ...

Learning about the magic of science the fun way

The moon has a reputation for “ magnificent desolation, ” as Buzz Aldrin said when he stepped onto the surface more than 50 years ago. It has no atmosphere to speak of, and no protection from a ...

The Coziest Spot on the Moon

Friends and family members assume she wants to be a nutritionist, a chef or a restaurateur. The University of Delaware food science major always chuckles and explains her actual career goal — food ...

The science of food

Do you know who I am? Minister for Forest Umesh Katti seems to have been upset when he visited a Government Girls school recently. Many of the students who were squatting in the class (as this ...
