- The governing pattern of a culture; the master story; past monocultures; the monoculture of the early 21st century. 2. The One Story - Your personal mythology; the larger stories of the culture; six cultural stories in society; the assumptions of the master story that shape who we are, what the world is like, and how we and the world interact.

Monoculture: How One Story Is Changing Everything: Amazon ...

Monoculture refers to the effect that this master story has on culture: "one narrative in society that takes over the others, shrinking diversity and forming a monoculture." The author argues that values such as truth, beauty, justice, and freed I think the premise of the book is much more intriguing than the actual read.

Monoculture: How One Story is Changing Everything by F.S ...

In Monoculture, F.S. Michaels draws on extensive research and makes surprising connections among disciplines to take a big-picture look at how one story is changing everything: corporations, corporate social responsibility, and business ethics; families, communities, social services, and philanthropy; nature and biodiversity; government, the public and private sectors, prisons, and public libraries; health care and medicine; religion, Christianity and churches; education, universities, and ..

Monoculture: How One Story is Changing Everything eBook: F ...

the monoculture is economic is that the master story is all about money – how to get it, make more of it, spend it, grow it, or keep it, whether that looks like consumerism, commercialism, or materialism. But that's only true of the economic monoculture at a surface level. Though the monoculture naturally embodies issues surrounding money,

Monoculture: How One Story Is Changing Everything | F. S ...

Now imagine that one of those stories is taking over the others, narrowing our diversity and creating a monoculture. Because of the rise of the economic story, six areas of your world - your work, your relationships with others and the environment, your community, your physical and spiritual health, your education, and your creativity - are changing, or have already changed, in subtle and not ...
