Gauld: 9781770462540:  
Books

Mooncop is touched by nostalgia for the golden age of space exploration and an affection for the routines of small-town life, and Gauld finds humour and hope — as well as coffee and doughnuts — in his portrait of a fading utopia. *The Guardian*

and illustrator. His style reflects his self-professed fondness of "deadpan comedy, flat dialogue, things happening offstage and impressive characters". Others note that his work "combines pathos with the farcical" and exhibits "a casual reduction of visual keys into a more rudimentary drawing style"
