work authored by a single person, the 36 Stratagems is a collection of warfare wisdom that was derived over many centuries of inter-state conflict within China.

Many of the stratagems involve deception of some kind and may be used in changing minds, though of course the

Download Ebook More

values of modern society act to moderate effective action. Having said this, where the alternative is harmful conflict, deception may be the best alternative.

~~Espionage~~ | Military Operations

Some stratagems might be too powerful or good to let people use them more than once a phase. An Alaitoc army that could use Lighting Fast Reflexes on every unit in one turn would be very annoying to fight.

Though if they did so,

Download Ebook More

They would quickly burn through their CPs. Some stratagems might still be labeled Once A Phase Only.
