Excellent, thanks guys. I'm embarking on a project to connect a VHF MTR2000 on 2 meters into a P25 Quantar on 70cm via a DIU3000. In between there will be a DTMF controller so that the linking can be done VHF analog <-> 70cm analog or VHF analog <-> P25 70cm. I'll track down some manuals using those parts numbers - cheers again guys! Matt
