promotes independent learning of spelling in context and features a proven metacognitive approach to spelling.

Through using all aspects of thinking, pupils not only learn how to spell but also how to retain and use these words in context.

Description : My Spelling Workbook is a seven-book spelling series suitable for classroom and individual use. Each workbook contains lists of commonly used words to develop a base vocabulary for primary school children and aims to develop independent spellers through activities such as: word building; word study; memory tests; word puzzles; and discovering patterns in words.
