Join the nation's largest and oldest nonprofit organization dedicated to the natural products industry. NPA on Twitter Expanding access to vitamins is fundamentally necessary.

Natural Products Association

This guidance document is intended to provide direction to support stakeholders in assuring that natural health products (NHPs) are produced in a high quality manner, and to set out how an applicant or licensee can establish an acceptable level of compliance to the Natural Health Products Regulations (NHPR), as it relates to the quality requirements for NHPs. The quality component of a product licence application is primarily founded on the expectation of industry
