James Baldwin through "Nobody knows my name" Helps me to appreciate the ins and outs, ups and downs (and everything in between) of being a black man in this world. I love how he helps me connect the dots somehow, that all black men across the globe are almost the same person because they have faced (for hundreds of years) the same problem; oppression from the white man.

An interesting transition between the raw passion of Notes of a Native Son and the prophetic rhetoric of The Fire Next Time, Nobody Knows My Name is as eloquent as either work. The essays collected here range from an analysis of the ties between racial and national identity in America through a memoir of the author's relationship with Richard Wright to a critique of Norman Mailer's work.

He wanted, as he says in "Nobody Knows My Name," his brilliant new collection of essays, "to prevent myself from becoming merely a Negro; or, even merely a Negro writer." He knew how "the world tends to trap and immobilize you in the role you play," and he knew also that for the Negro writer, if he is to be a writer at all, it hardly matters whether this trap is compounded of hatred or uneasy ...
