BEWARE! Nordictrack C2300 Manual

The NordicTrack Vault looks cool at first glance, but is frustrating to use and doesn't get anywhere close to justifying its cost. I really wanted to love the NordicTrack Vault (opens in a new tab).

NordicTrack's Vault is a lot of expensive flash with very little substance. Other brands looked clunky and awkward — not exactly something you wanted to have in your living room — and the NordicTrack iSelect ... a second look at the manual, I found the problem ...
