Paula: My Story So Far. Paula Radcliffe has been hailed as one of the finest female distance runners of all time. Her amazing run of record-breaking victories in 2002 and 2003, including smashing the women's world marathon record in Chicago and then again in London, showed an athlete at the peak of her powers.

Paula Radcliffe has managed to be both very successful in her field and incredibly popular with the Great British Public. She was the underdog for so long -- narrowly missing out on medals in the 1999 World Championships and the 2000 Sydney Olympics -- that fans longed to see her win. Paula's rosy manner hides a tough resolve to succeed and in 2002 her luck began to turn.

Paula Radcliffe is an amazing athlete, a great ambassador for the sport, and after reading this book a great person. The problem I have is with her writing style, it did not suit me as a reader. I wanted to give this book 3 1/2 stars, but because of the many positives I took away from her story, her trials and tribulations, I decided to round it up rather than down.

Paula is a living legend, and in this book we get to hear, in her own words, details about her personal life, but more interestingly, her professional training life. She goes into detail on her significant injuries over the years, and how she's worked thru them.
