The cultural capital, in turn, facilitates social mobility. This concept was given by Pierre Bourdieu and Jean-Claude Passeron, in their work ' Cultural Reproduction and Social Reproduction ' in 1977, he argued that cultural capital played an important role in one ' s social position.

What is Bourdieu theory of cultural capital

Bourdieu does not perceive symbolic capital as a fundamental guise, but rather as a subform that tends to legitimize actors ' social positions, as well as the separation of economic, cultural, and social resources. The symbolic capital is a denotation of power of the dominant class and it is instrumentalized for the legitimization of this power.

Pierre Bourdieu ' s Capital Explained

Both of these conceptualizations, in turn, provided groundwork for Pierre Bourdieu's unifying theory of symbolic capital. The explicit concept of symbolic capital was coined by Bourdieu, and is expanded upon in his books Distinction and, later, in Practical Reason: On the Theory of Action. Along with theories forwarded by Veblen and Mauss, symbolic capital is an extension of Max Weber's analysis of status. Bourdieu argues that symbolic capital gains value at the cross-section of class and ...

Symbolic capital—Wikipedia

January 17, 2018 / 2 Comments / in Left Theory / by Ed Walker. Bourdieu uses the concept of capital in some ways that are familiar, for example, social capital, cultural capital, and economic capital. Other usages are less familiar. First, according to David Swartz in Culture and Power: The Sociology of Pierre Bourdieu, the word capital means something like money which is both a medium of exchange and a store of value.
