And Wales reproduces existing relations of power in society which. social class value impacts offspring intergenerational educational probabilities unequally.

### Power and ideology in education pdf - WordPress.com

I will examine how dominant social and historical ideology has been reflected in the education system forcefully through the residential school system, and how it can occur subtly within post-secondary education. The impact of dominant ideology and the formation of individual identity will be discussed including how personal biases, developed through social influence, are often subconsciously reflected in the classroom through micro-aggressive behaviour.
