Prepare Geoffrey Germann

Overall, "Prepare" is a well written and enjoyable novel. The author Geoff Germann did a great job laying out the story line. The novel is fast moving, full of surprises with a good ending. From beginning to end, each chapter presents the characters and their stories in a thought-provoking way that seems to end in a series of cliff hangers.

Prepare - Kindle edition by Germann, Geoffrey. Mystery ...

As a small boy, Darren Kiel was witness to his father's corruption and contemptible misconduct. As he grew, that experience gave rise to a seething need to atone for his father's crimes, to set the world aright, to enforce order. Now an adult, Darren is thrust into a world far more horrific than...
