This modules-based version of Myers' Psychology tenth edition breaks down the book's 16 chapters into 54 short modules. The condensed text allows students to better grasp and explore psychological concepts. It also makes for more flexibility in teaching, as cross-references to other chapters have been replaced with brief explanations.

by David G. Myers ...

There is no such thing as a light, perfunctory revision of David Myers ' Psychology. Each new edition is a fresh opportunity to communicate psychology ' s enduring principles and pivotal research in terms that captivate students and connect with their lives. But even by Myers ' standards, Psychology, Ninth Edition, is truly exceptional.
