I enjoyed almost all of the selections from Read Hard, a collection of five years of writing from The Believer journal. I mostly skipped around and read the pieces that I thought sounded most interesting to me, but I was surprised by a few as well.

Read Hard: Five Years of Great Writing from the Believer ...

There are a few big names in Read Hard, Five Years of Great Writing from The Believer--a compilation of essays from McSweeney's (\$18.00)--but none of them delivers, and some of the lesser-knowns are even less inspiring. Rick Moody spends half of "How to be a Christian Artist" telling us what kind of music he likes in fairly forgettable sentences.

These include dust, heat, weather, theft, electrical surges, and traveling hazards. Lastly, replace your hard drive after 3-5 years. As you just read, hard drives fail over time. By moving your data onto a new hard drive, you create data redundancy and give yourself more time to safely store your data.

How Long Do Hard Drives Last? Lifespan And Signs Of Failure

In Five Years is a great story about Dani, a Type-A (ahem, relatable) woman, her love life, and friendship. She is a hard-working lawyer who crushes an interview for her dream job and gets engaged to her boyfriend, David. In Five Years by Rebecca Serle - Goodreads Lastly, replace your hard drive after 3-5 years. As you just read, hard drives fail over time.

Read Hard Five Years Of Great Writing From The Believer ...

If a hard drive has no factory defects, it will typically endure over the next two or three years without issue, which means the failure rate falls. By year four and five, the failure rate is well on its way back up again. These failures are due to general wear and tear, but pinpointing a specific cause has proven troublesome for researchers.

When Is My Child Ready to Read? No matter what your neighbors say (you know, the ones with the 4-year-old genius), your child will develop an interest in reading at their own pace — sometime between age five and seven. When this happens, so does the magic. Meaning, when your child is really ready to learn to read, they will.
