ONE NIGHT WITH THE KING (Esther the Bible Movie)

\"There are also separate sections on the modernistas and postmodernismo, avant-garde poetry in the twentieth century, and the Boom novel. A final chapter is dedicated to an analysis of some recent developments within the Spanish-American literary canon, such as the post-Boom novel, with a separate section on women writers, 'testimonio', Latino literature, the gay/lesbian novel, and Afro-Hispanic literature.\"--BOOK JACKET.

Este libro reúne y describe casi dos mil trescientas ediciones de historias de la literatura española, antologías y preceptivas literarias, con localización de ejemplares, desde los Orígenes de la poesía castellana, de Luis José Velázquez, en 1754, texto fundacional de la historiografía literaria española, hasta 1936. Sus objetivos son aportar las fuentes necesarias para el conocimiento de la historia literaria española e hispanoamericana, y así comprobar el proceso de fijación de los modelos literarios.

Spanish literature includes some of the world's greatest works and authors. It is also one of the most widely studied. This reference looks at the literature of Spain from the perspective of women's studies. Though the volume focuses on the literature of Spain written in Castilian, it also includes survey entries on the present state of women's literature in Catalan, Galician, and Basque. Included are hundreds of alphabetically arranged entries for numerous topics related to Spanish literature, including: -Literary periods and genres -Significant characters and character types -Major authors and works -Various specialized topics Each entry discusses how the topic relates to women's studies. Entries for male authors discuss their attitudes toward women. Female writers are considered for the restrictive cultural contexts in which they wrote. Specific works are examined for their representations of female characters and their handling of women's issues. Each entry is written by an expert contributor and closes with a brief bibliography. The volume concludes with a list of works for further reading.

Cuban Studies has been published annually by the University of Pittsburgh Press since 1985. Founded in 1970, it is the preeminent journal for scholarly work on Cuba. Each volume includes articles in both English and Spanish, a large book review section, and an exhaustive compilation of recent works in the field.

Provides brief profiles of Hispanic authors, entertainers, athletes, politicians, scientists, and educators
