The Rise and Fall of Strategic Planning. Mintzberg traces the origins and history of strategic planning through its prominence and subsequent fall. He argues that we must reconceive the process by which strategies are created by emphasizing informal learning and personal vision. Mintzberg proposes new definitions of planning and strategy, and examines in unusual ways

The Rise & Fall of Strategic Planning by Henry Mintzberg." Tom Peters. In this definitive and revealing history, Henry Mintzberg unmaskes the process that has mesmerized so many organisations since 1965: strategic planning. One of the original management thinkers, Mintzberg concludes that strategy cannot be planned because planning is about analysis and strategy is about synthesis.

This is an excellent resource for any individual or group that is thinking about strategic planning and provides some powerful critiques of traditional approaches to Strategic as well as exploring some fundamental fallacies in the very concept of Strategic Planning.

A critique of Strategic Planning - a summary of the Rise ...

It takes strategic planning, as envisioned about 15-20 years ago, and carefully cuts it apart, removing all its pretensions to being strategic in any real sense. But it is not a book that only bashes; it shows the way to make the most of the resources that 'strategic planning' can bring to the organization, while maintaining a jaundiced eye on potential shortcomings.
