Searching for the Sound: My Life with the Grateful Dead ...

Written without the crutch of a ghostwriter, Searching for the Sound might be considered disjointed in places, but overall it comes across as conversational, intimate, informative, and candid (particularly regarding topics of drug use and death). If you are familiar with the band and their extended family, their history, the sixties' musical milestones and influences and all the band's famous tales (the Garcia/ Lesh "silent" confrontation, being busted on Bourbon Street, the Wall of Sound ...

Searching for the Sound by Your Lowness on Amazon Music ...

No one book can ever tell the entire tale of the Grateful Dead. Searching For The Sound by bassist and founding member Phil Lesh is the first book by a member of the band to focus on the band itself and Phil has a tale to tell and tells it well. The book starts with Lesh's birth and quickly moves on to his discovery of music.
