Shakespeare's Pub: A Barstool
History of London as Seen ...
The Shakespeare Pub is an
authentic British Pub that was
established in August of 1990 and
is both owned and operated by
British Ex-Pats. The decor of the
establishment couples the old
world, English Tudor style on the
interior (albeit with large picture
windows) with a patio deck
wrapping the exterior.

In his newest book,
Shakespeare's Pub, English
author Pete Brown takes the seat
beside you in the George Inn,
buys you a pint, then spins a
twisting, heady story that shuttles
in time between Roman Britain
and today, and in scale between
the local shop and the Empire.
The cover calls it "a barstool
history of London as seen through
the windows of its oldest pub."
