The National Association of Social Workers has a list of great questions employers may ask during a social work interview (see <http://careers.socialworkers.org/findajob/interviewQs.asp>). "Tell me some of your weaknesses" is a favorite question to ask during an interview.

5 Ways To Ace Your Social Work Job Interview ...

To give a complete answer to a behavior-based question, you must, first, reflect on specific situations that you faced while working (include any volunteering or internships), then, describe the specific action you took, and, finally, the outcome as a result of your actions. The interviewer will be looking for concrete examples not generalities.

Sample PBI Questions - Performance Based Interviewing (PBI)

Other competency-based questions you could be asked in social work interview include: Give an example of a complex case you've worked on. What actions did you take? Tell us about a time when you've contributed to effective team working.

Social work interview questions | Prospects.ac.uk

However, social work is a broad field, so the interview questions can vary a lot depending on the type of social work you practice, setting, and your level of experience. So, I encourage you to use these as a starting place and try to adapt them to the particular social work job you're applying for.
