Welcome to the WPM Administrator Guide, which provides an overview of product features and related technologies, along with recommendations on best practices and troubleshooting information for common situations.

### SolarWinds WPM Documentation

Log in with the username admin and leave the password field blank. For security purposes, SolarWinds recommends that you change the password to your admin account. **DISCOVERY** Discovery is the term used to describe the process NPM uses to identify network elements. During discovery, NPM scans the network for nodes, and when a node and associated elements

### EVALUATION GUIDE Network Performance Monitor - SolarWinds

Hi. I've just started working with the Orion NPM 8.5. As my company doesn't hold a valid service contract with SolarWinds, I'm unable to upgrade our installation to the latest version, and unfortunately, I'm also unable to obtain the old 8.5 administration guide.
