## Songmaster - Wikipedia

I've read and enjoyed most of Orson Scott Card's books. 'Songmaster' is not an exception. It's funny, though, that although many of Card's novels contain dark elements and portray gentle people who are compelled by circumstances or their own moral decisions to commit acts of great violence, this particular novel was really harrowing to read. Ansett, the novel's protagonist, is similar in many ...

### Books By Orson Scott Card - Songmaster

I read "Songmaster" years ago as part of an obsession I have with Orson Scott Card's work, starting with his iconic "Ender's Game." The themes explored in this book deal with intrinsic beauty and inborn perfection.

Orson Scott Card is best known for the Ender series, but has written many types of books, and I have found all his efforts to be very good. I have 2 favorites however, one of them is "Speaker for the Dead" from the Ender series. My other favorite is "Songmaster". Perhaps, I can relate to this book so well because I am a musician. I think any musician or any artist for that matter would relate ...
