Kepler's stellar fifth Joona Linna novel finds Joona, who faked his death in 2018's *The Sandman* to protect his family from a serial killer, replaced as the Swedish National Police Authority's expert on "serial killers, spree killers, and stalkers" by Margot Silverman. In Margot's baffling first case, Maria Carlsson, an Ikea product adviser, was stabbed repeatedly in her home, and her facial features were almost completely effaced.
