Implications of Metaphysical Idealism with Bernardo Kastrup Switch New World 1 Janelle

Switch is a pretty dark book. It's a chilling read. But the author writes very well and there are small injections of humour to stop it being too doom-and-gloom. I loved the world that Janelle Stalder created - it's all kinds of complicated craziness.

Switch (New World Series Book 1) eBook: Stalder, Janelle ...

Janelle Stalder paints a new world with such finesse you practically see it like a movie in your mind, but she also gifted us with a smooth transition. Instead of throwing the dystopian plot at you in one hurried over puffed up explanation, we get little pieces here and there enough to make sure you're not lost but leaving you craving more.

Switch (New World, #1) by Janelle Stalder

Switch is a pretty dark book. It's a chilling read. But the author writes very well and there are small injections of humour to stop it being too doom-and-gloom. I loved the world that Janelle Stalder created - it's all kinds of complicated craziness. There was a real sense of confusion surrounding what's good or bad, right or wrong.
