Challenges effectively and efficiently. Jen shows how small groups help you uncover hidden time in your teaching for meeting individual students' needs.

Teaching Reading in Small Groups (eBook) by Jennifer ...

Listening in while students are reading during a shared reading lesson might sound a little daunting, but Serravallo suggests breaking the class up into groups while sitting on the carpet. Each group reads a different section so you can focus on listening to individual readers.

Teaching Reading In Small Groups - Chapter 2: "Forming ...

Guided reading was originally designed to provide a comprehension focus. However, now, guided reading has become a small group catch-all wherein any reading skill, including 'word work' or decoding lessons are also taught.

Planning the Small Group Reading Lesson: Teach and Guide ...

Small group teaching in such a circumstance very well might have the different groups reading the same texts and trying to answer the same questions. The grouping would not lead so much to different teaching, but to everyone getting sufficient support when trying to accomplish something they couldn't do without that much support.

What Should Small Group Reading Instruction Look Like ...

Using the Streamlined Pathway, coupled with the simple structure I'm presenting today for small group guided reading, a teacher can diagnose and plan small group and independent work more easily and with less effort. Despite this time savings, she can also expect to see students reading achievement outcomes accelerate! How 'bout them apples!

Small Group Guided Reading Structure for Less Stress

Small group teaching is ubiquitous in elementary reading. Sixty-years ago (when I was being taught to read) the same was true—though since our classes then were so large, "small group" usually meant groups about the size of today's typical classroom enrollment!

Should Reading Be Taught Whole Class or Small Group ...

Amazon.com: Teaching Reading in Small Groups ...

Use small group time to listen and learn: When teachers set students up for small group instruction, they don't have to jump right into teaching—they can instead use some time to learn more about their students and what they know. This can be challenging, as we often feel pressure to provide direct instruction quickly.
