The Interrater Reliability Certification process is not a training or tutorial. We recommend that teachers only complete the certification process after they have attended an in-person GOLD® training or completed the related online professional development courses (The Objectives for Development and Learning and the GOLD® Introduction courses), and familiarized themselves with the objectives/dimensions and progressions by using GOLD®.

~~Tips for Completing Interrater Reliability Certifications~~

To complete the Interrater Reliability Certification: While in the Develop area (1), select Interrater Reliability (2) to access the Summary screen (3). Select Getting Started (4) to learn more about the certification. Select Introduction Video (5) to watch a short video on how to complete the Interrater Reliability Certification.
