Teleny, or, The Reverse of the Medal, is a pornographic novel, first published in London in 1893. The authorship of the work is unknown. There is a general consensus that it was an ensemble effort, but it has often been attributed to Oscar Wilde. Set in fin-de-siècle Paris, its concerns are the magnetic attraction and passionate though ultimately tragic affair between a young Frenchman named Camille Des Grieux and the Hungarian pianist René Teleny. The novel is one of the earliest pieces ...

The homoerotic novel Teleny is an important antithesis to the prudish idealism of the neo-classic and neo-romantic lyric love poetry of the fin du siècle. It is a work of unmasking the cynical double moral standards of the Victorian era: The love of Camille and Teleny is shattered by social reprisals.

Published in 1893, TELENY is a mysterious and fascinating work. Its origin is extremely uncertain, but the attribution to Oscar Wilde, among others, is totally pertinent. Much of the style and the magical undercurrent of the story can be easily connected to the author of THE PICTURE OF DORIAN GRAY, and if DORIAN was the first - albeit coded - homosexual novel of the modern age, TELENY is its explicit counterpart.

"Teleny, or, The Reverse of the Medal", is a pornographic novel, first published in London in 1893. The authorship of the work is unknown, but it has long been attributed to Oscar Wilde . Recent criticism has suggested that, while Wilde probably did not write the work himself, he may well have been involved in its production and/or circulation, perhaps in some sort of editorial or advisory capacity.
