A brilliant and thought-provoking essay from one of the twentieth century's masters of fiction, Testaments Betrayed is written like a novel: the same characters appear and reappear throughout the nine parts of the book, as do the principal themes that preoccupy the author. Kundera is a passionate defender of the moral rights of the artist and the respect due a work of art and its creator's wishes.

Testaments Betrayed: An Essay in Nine Parts is a skim through his opinions and ideas about satire, translation, music, | He has one of the best understandings of novel I've ever happened to see. Besides, he has a very complex wild mind which shines upon every dark corner of letterature, surprising his readers with the revelations it makes right in the place they thought they have explored thoroughly.

Testaments Betrayed: An Essay in Nine Parts by Milan Kundera

Testaments Betrayed is a book rich in ideas about the time in which we live and how we have become who we are, about Western culture in general. It is also a personal essay, in which Kundera discusses the experience of exile - and an impassioned attack on the shifting moral judgements and persecutions of art and artist.

9780060927516: Testaments Betrayed: An Essay in Nine Parts ...

Following up on 'The Art of the Novel,' Kundera argues for an artistic approach to the novel, tackling along the way music, ethics, and many other topics. It is also really pleasurable to read, which isn't at all trivial. Since reading 'Testaments Betrayed,' I have lent my copy to quite a few friends and bought copies

for others.
