The Beautiful and the Damned by Jessica Verday is a companion standalone novel to her Hollow Trilogy. Although this is a companion novel, I don't think you necessarily have to read the other series before this one (at least I didn't). It is set in the same world with a few of the characters from the other series making an appearance at the end.

The Beautiful and Damned, first published by Scribner's in 1922, is F. Scott Fitzgerald's second novel. It explores and portrays New York caf é society and the American Eastern elite during the Jazz Age before and after the Great War in the early 1920s. As in his other novels, Fitzgerald's characters in this novel are complex, materialistic and experience significant disruptions in respect to ...
