Amazon.com: Customer reviews: The Bedside Book of Birds

The Bedside Book of Birds is an unexpected and fascinating treasure trove of paintings, drawings, essays and scientific observations: it marvellously conveys the hope, the longing and the enchantment that birds have evoked in humans in all cultures and all times.

9780385662208: The Bedside Book of Birds (Bloomsbury ed)

The Bedside Book of Birds is an enchanting book. A charming compilation of written material by authors such as Farley Mowat, Peter Matthiessen and Gilbert White. Poems, stories, journal entries and reveries about birds are complemented by strikingly beautiful, extraordinary, rich artwork.

The Bedside Book of Birds (Book) | Oakville Public Library

This is a book from people who simply LOVE birds. They don't want to 'collect' birds. They have no interest in killing them. They simply love reading beautiful prose about birds,, and they love looking at beautiful images created by other bird lovers.
