The Brand Called You. By Lisa Curran Parenteau , LMT, NCTMB. 12/16/2009. The use of social media tools is exploding in our profession. One of the interesting by-products of our online connectivity is the continued blurring of the lines between professional and personal identities. Discovering and growing your personal brand online and off is more important today than ever for your successful practice.

The Brand Called You - Message Today
If your brand is meant to be a career resource, then put some thought into what you want to be doing in the future and what potential associates or employers will be seeking. All this talk of pitching and branding also reminded me of an article from a 1997 issue of Fast Company: " The Brand Called You " . A colleague sent this to me a couple of years ago, after a like-minded discussion about personal branding, cover letters and r é sum é s.
