The Harbinger The Ancient Mystery

Hidden in an ancient biblical prophecy from Isaiah, the mysteries revealed in The Harbinger are so precise that they foretell recent American events down to the exact days... the 3,000-year-old mystery that revealed the exact date of the stock market collapse of 2008... the ancient prophecy that was proclaimed from the floor of the US Senate and then came true...and more. The revelations are so specific that even the most hardened skeptic will find it hard to put down.

The author says that The Harbinger is a loosely fictional novel, rooted in biblical analysis regarding a real-life, non-fiction connection: a prophecy about ancient Israel that was eventually fulfilled in the eighth century BC when Israel was destroyed, and certain events and facts related to the 9/11 terror attacks against the U.S. in 2001. Cahn calls these events and facts "harbingers," and argues that they show a connection between ancient Israel's destruction and a possible coming ...

In the U.S. this year, Cahn says, "We've been replaying the ancient biblical mystery of judgment. And ever since The Harbinger came out, the mystery has only increased, the template has continued and America now stands in much greater danger in the years since that time." One of the danger signs of a nation heading to judgment is division.
