In *The Heart Aroused*, poet David Whyte shows that the best way to respond to the current call for creativity in organizational life is to overcome our habitual fear and reticence and bring our full passionate, creative human souls, with all their urgencies and unnamed longings, right inside the office with us. When Whyte, who often consults for corporate clients, walks into an organization, it is not just to advise, strategize, and make recommendations.

The Heart Aroused reflects attention to the self as soul navigating and struggling in the large organization, viz. the corporation. Whyte speaks as and to a poet (perhaps in most of us), who deeply wants to live and not lose the fullness of human enjoyment and creativity amidst the smothering pressures of an organization.

The Heart Aroused is a book about the state of the soul in the corporate workplace, written by an English poet. If you've ever wondered "Am I the only one who is miserable here?" or "Do others feel they can't speak the truth?" or "Are others being smothered here as well?", you will love this book. Yes - others feel these things.
