This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one-size-fits-all methodology. With compassion for the lost filling every page, Jerram Barrs shows the variety of approaches used in the New Testament-where the same uncompromised Gospel was packaged as differently as the audience-and calls you to follow its example.

In evangelism, the work of the Holy Spirit is the deciding factor when it comes to affecting repentance and conversion. It was good to be reminded that the Holy Spirit is at work in the heart of someone before they make a profession of faith in Christ. It is easy to assume that God is so powerful that all in an instant God transforms a persons heart.

The Heart of Evangelism is a challenge for Christians to thoughtfully, humbly, and graciously engage non-Christians as they seek to share the gospel with them. I would gladly recommend this book to those who are seeking to grow in their evangelism, as well as anyone who is active in evangelism, but resort to memorized methods rather than patient and thoughtful evangelism.

The Heart of Evangelism book by Jerram Barrs

This was and has always been since for me the heart of evangelism, the simple complex unrelenting love of God in Christ for the sinner or and the searcher. It is this quality that shines through this book. I highly recommend it and it is a corrective to many other ideas of evangelism that tend to circulate in the most hardline of hearts. May God by His grace grant us all the humility and the wisdom to be so wise as this, as Jesus said, "as wise as serpents, as harmless as doves" Jesus was and is ...
