The Home Front saw a massive change in the role of women, rationing, the bombing of parts of Britain by the Germans (the first time civilians were targeted in war), conscientious objectors and strikes by discontented workers.

The Home Front 1914 to 1918 - History Learning Site

This time round Gail and Winston Ramsey offer up a broad but stimulating history of the Home Front in Britain during World War II. While this subject is hardly virgin territory to the world of publishing, least of all After the Battle, the book forms a compendium of facets and details which fit together really well in a single volume.

The Home Front in Britain Then and Now - Reviewed

The Home Guard or Local Defence Volunteers (LDV) was formed in 1940 when there was a real risk that Hitler might invade Britain. The men that served in the Home Guard were all volunteers and were mostly those that were too old (over the age of 40) or too young (under the age of 18) to serve in the forces. They became known as 'Dad's Army'.

The Home Front: WW2 - History

Home Front History. "We must never forget the dedication and sacrifice of a generation and the human spirit that persists even against. The Second World War changed Britain and its people forever and as the gap of history between then and now ever widens, our generation has an increasingly significant role to play in keeping alive the stories of the social, personal and military aspects of the war years on the Home Front.
