I honestly do not really

# Read PDF The India Fan Victoria Holt

care one tiny bit that Victoria Holt's 1988 novel The India Fan is obviously set in 19th century England and India and is thus of course also meant to display a certain and specific historical attitude and point of view (and yes indeed, the only part of The India Fan that actually did make me somewhat smile with personal if also a bit guilty Schadenfreude was when that horrid, nymphomaniac and full of herself Lavinia Framling actually got her in my opinion just desserts).

# Read PDF The India Fan Victoria Holt

Although I read a lot of Victoria Holt's novels in my twenties, The India Fan is one that somehow passed me by, so I was delighted to see that it's being reissued - and with a lovely new cover. For anyone not familiar with the author, Holt is one of several pseudonyms used by the very prolific British author Eleanor Hibbert (Burford).

## **The India Fan by Victoria Holt : All About Romance**

I am a huge fan of Eleanor Hibbert who wrote as Victoria Holt, among other pen names. 30 years ago, during my teenage years, I spent many long summer days

# Read PDF The India Fan Victoria Holt

being swept away by her tales of gothic romance. I am thrilled that Amazon is releasing her books on Kindle. Having said that, The India Fan is not my favorite book by this author.

## Read PDF The India Fan Victoria Holt

The India Fan. -. Victoria Holt. The daughter of the local impoverished vicar, sensible Drusilla Delany becomes fascinated with the wealthy Framling family--especially with the son and daughter, the handsome, mysterious Fabian, and the beautiful, impetuous Lavinia. Through them, she finds herself the unlikely heir to an extraordinary bejeweled fan made of peacock feathers.

1.5 stars This book almost put Victoria Holt on my list of never read again authors The India Fan didn t quite plumb the depths of awfulness to the extent that I demand before I one star a book, but it was a close call I actually clicked back and forth between one star and two several times. Drusilla Delaney who, despite what the GR blurb says, is not beautiful grows up in the mid 19th century
