The Laughing Policeman is the fourth book in the much praised Martin Beck series. In my opinion it ' s a masterclass in how to write a realist police procedural novel that does not rely on coincidence or plot devices to move the story along, nor does it concentrate on a non-conformist, lone cop (plus sidekick) who singlehandedly solves the case whilst coping with all kinds of personal issues.

The laughing policeman is a really entertaining reading. Flawlessly written, in a steady and unrelenting pace, the novel tells the fictional story of the first mass murder ever committed in Stockholm. The investigation is led by detective Martin Beck and his friend and fellow-inspector Lennart Kolberg. I love the way these characters interact.
