The Mongols were pastoral nomads of the Asian steppe who herded sheep, goats, horses, camels, and yaks. These tribes moved according to the seasons and lived in temporary camps of circular felt tents or yurts (gers). The climate of Mongolia is often harsh and, reflecting this, clothing was warm, durable, and practical.

David Morgan provides a comprehensive survey of the Mongol people in the second edition of *The Mongols*. It is part of the *Peoples of Europe* series, and while the Mongols are not European, they did have an influence on European history. In fact, Morgan points out that in the Mongols' brief presence in Europe, there was no guarantee that they would not sweep through Europe as they did in the Middle East and China (p. 1).
