dominated the political debates and bestseller charts of a dozen countries, and threatened our basic values.

Since September 11, 2001, a growing chorus has warned that Western society and its values are at risk of being overrun by a tide of Islamic immigrants.

~~The Myth of the Muslim Tide: Immigration, Islam and the West~~  
In *The Myth of the Muslim Tide*, Doug Saunders offers a brave challenge to these ideas, debunking popular misconceptions about Muslims and their effect on the communities in which they live. He demonstrates how modern Islamophobia echoes historical responses to earlier immigrant groups, especially Jews and Catholics.
