history of occult phenomena, from levitations and apparitions to spectres, ghosts, and auras. In the early days of photography, many believed and hoped that the camera would prove more efficient than the human eye in capturing the unseen.

The Perfect Medium: Photography and the Occult by Clément ...

The Perfect Medium will bring together some 120 photographs culled from public and private archives throughout Europe and North America. The exhibition focuses primarily on the period from the 1860s to World War II, when occult and paranormal phenomena were most actively debated and both supporters and skeptics summoned photographs as evidence.

The 1860s to the 1960s. In addition to photographs depicting spirit mediums, seances, ghosts and ectoplasm, this book includes photographs of "fluids" and auras that tread the line between scientific experimentation and abstract art.

Book Review: The Perfect Medium Photography and the Occult

"The Perfect Medium" speaks directly to the way photography is situated at the shifting borderline between the two. Its double-exposure ghosts, its seance documents, its records of the flow of ectoplasmic material from mouths, noses, and navels, and its experiments with "vital fluid" impressions made with the dark--rather than light--side of the photographic equation are all located at that borderline.

"The Perfect Medium: Photography

Download Free The Perfect Medium Photography And The Occult...

After all, photography and speculation--thought experiments as well as other kinds of trial-and-error--have gone together from the beginning. [ILLUSTRATION OMITTED] "The Perfect Medium" is full of neologisms, the most wonderful of which is the "skotograph," a spirit photograph taken without a camera or light but by pressing a photographic plate against the face.

""The Perfect Medium: Photography and the Occult ...

For "The Perfect Medium: Photography and the Occult," at the Metropolitan Museum, curators have collected about 120 astonishing photographs of paranormal phenomena.

A Guide to the Perfect Portrait - Medium

The Perfect Medium presents both sides of the issue—skeptics in the active paranormal debate also employed photography for evidence to contradict the Spiritualist movement begun in the 1850s—while objectively refraining from commenting on the displayed photographs’
