About The Roots of Desire. Already in its sixth HARDCOVER printing, The Roots of Desire is a witty and entertaining investigation into the power, myth and meaning of red hair. Redheads have been worshipped, idealized, fetishized, feared, and condemned, leaving their mark on us and our culture. Such is the power of what is actually a genetic mutation, and in The Roots of Desire, Marion Roach takes a fascinating look at the science behind hair color and the roles redheads have played over time.
