WEB Griffin's "The Shooters" is book four in his Presidential Agent series. There are several reasons why I really enjoyed this book. Firstly, the story line is believable and short, meaning that it is wrapped up in just one book. Secondly, There was not as much extra detail in this story as there was in the other stories in this series.

When DEA Special Agent Byron J. Timmons is kidnapped in Asunción, Paraguay, at the start of bestseller Griffin's rousing fourth presidential agent novel (after The Hunters), Timmons's grandfather asks his friend, the mayor of Chicago, for help. The mayor passes the request on to the U.S. president, who assigns his personal in-house expert, Lt. Col. C.G. Castillo, to rescue agent Timmons.

WOW, what a story! You've heard the proverbial "I just couldn't put it down..." This is it. It took me about 1200 miles (interrupted at times) to hear all 15 disks but I was anxious to push the start button any time I was deprived of hearing the next chapter. The reader was easy to understand and the story was easy to follow.

The Shooters is one of the Presidential Agent series. I read the paperback version which was about 750 pages. Some of the other reviewers have criticized the book for lacking action but I did not have a problem with that. There was a little action at the start of the book when a DEA agent is abducted in South America and then the conclusion ...
