The Soul At Work From To speak of a soul at work is to move the center of gravity in contemporary debates about cognitive capitalism. The soul is not simply the capacity for abstraction, for the subsumption of the particular. It is an aesthetic organ as well, the exposure of thought to the contractions and dilations of space, to the quickening and lapsing of time.

THE SOUL AT WORK - Libcom.org As a result, the conditions for community have run aground and new philosophical categories are needed. The Soul at Work is a clarion call for a new collective effort to reclaim happiness. The Soul at Work is Bifo's long overdue introduction to English-speaking readers.
