Definition. In current usage, "soulmate" usually refers to a romantic or platonic partner, with the implication of an exclusive lifelong bond. It commonly holds the connotation of being the strongest bond with another person that one can achieve. It is commonly accepted that one will feel 'complete' once they have found their soulmate, as it is partially in the perceived definition that two ...

There are definitely still difficult bosses in DS remastered, but the gameplay is a little slower than BB. Some of it is just a learning curve of when to dodge and etc. DS 1 (and remastered) are IMO the easiest of the souls games though. I think you could do it, but it'll still take a few attempts at some bosses most likely.
