"The Sword of God" was the first Mark Dawson book I read and I loved it! Had to go and download all I could find and I have now read every book in the John Milton series. Milton is a flawed and conflicted man, but very engaging too. And he's seriously badass. "The Sword of God" remains my favourite in the series but the rest do not disappoint.

The Sword of God by Mark Dawson I received a complimentary Kindle copy of The Sword of God by Mark Dawson from the author as an advanced reading copy. That did not change my opinion for this review. I gave it four stars. "On the run from his own demons, John Milton treks through the Michigan wilderness into the town of Truth. He 's not looking for trouble, but trouble's looking for him.
