The Unexpected Professor: An Oxford Life in Books by John ...

There is a story about the time Professor Carey was a member of a panel carrying out the final oral examination of an Oxford BA candidate (in the Latin that nostalgic Oxford is still fond of using the Viva, or Viva Voce exam). The student took his seat. The chairperson said "Professor Carey will open the questioning." The candidate promptly fainted.

The Unexpected Professor: An Oxford Life in Books

John Carey's *The Unexpected Professor* tells, with a stream of good anecdotes and pen portraits, how a Surrey grammar-school boy won a scholarship to Oxford in the 1950s and (rather to his amazement, as he is modest) eventually became Merton Professor of English Literature at that university.
